RE: NSPS Subpart JJJJ Startup Notifications

Dear Sir or Madam:

In accordance with the New Source Performance Standard Subpart JJJJ (40 CFR 60.4245) this letter serves the intent for the startup notification for engines subject to NSPS Subpart JJJJ that have recently begun operating at facilities owned and operated by MarkWest Liberty Midstream and Resources, L.L.C. The initial notification for the purchase of these engines was made in a prior submittal. The following page contains a table listing the information required to identify each engine that has been started.

If you should have any questions or comments regarding this information, please feel free to contact me at (303) 542-0686 or email at [nwheldon@markwest.com](mailto:nwheldon@markwest.com).

Sincerely,

A handwritten signature in black ink, appearing to read "Nathan M. Wheldon", is written over a light blue horizontal line.

Nathan M. Wheldon, PE  
Sr. Environmental Engineer
